- 1) Measurement will be to the nearest 100 lbs. for each load when the measurement is by weight.
- 2) Moisture tests will be rounded off to the nearest 0.5 percent for computing the deduction for excess moisture (2% allowed).

MoDOT District 2 reserves the right to increase or decrease the quantity of material twenty-five percent (25%). The quantity finally ordered by MoDOT will be furnished by the bidder at the same unit price per ton.

**Deliveries will be a minimum of 1000 Tons Per Day.** The vendor shall furnish 24 hours notice prior to starting delivery. Notification should be during the normal workday preceding the first day of delivery. A representative of the Missouri Department of Transportation shall be present when material is delivered. No material will be accepted that has been dumped in the absence of a department representative. No deliveries will be made during the period from 30 minutes before sundown to sunrise.

MoDOT shall have authority to suspend deliveries wholly or in part for such periods as may be deemed necessary when weather or other conditions are such that in MoDOT's opinion, the work should be done at a later time. If MoDOT suspends deliveries, the vendor will be allowed an equal number of workdays to complete the job. MoDOT may at its discretion give the vendor an extension of time for completing the work when the vendor incurs delays for causes beyond their control. No deliveries will be made on days when the applicable maintenance building is closed due to 4-10 shifts, or on Saturdays, Sundays and holidays unless specifically authorized by MoDOT.
